

**The Poodle
Club of America
Foundation, Inc.**

**You are invited to the
ANNUAL PCA FOUNDATION SEMINAR
Tuesday, April 21, 2020
Founder's Room, Purina Farms Event Center
Gray Summit, Missouri**

8:00 a.m. **Registration**

8:30-11:30 a.m. **Introduction and Research Updates** followed by our keynote presentation. This year we are very pleased to welcome Dawna Voelkl, DVM, DACT, Associate Teaching Professor of Theriogenology at the University of Missouri College of Veterinary Medicine, speaking on **Canine Herpes Virus Infection: Not Just Fading Puppies; Expanding Your Genetic Options through Advanced Breeding Techniques; and News Flashes: The Latest Updates on Canine Reproduction.** A trifecta of important information for breeders in this rapidly evolving field! We expect lots of audience questions, so in addition to answering as many as time allows at the seminar, Dr. Voelkl will also spend the rest of the day at Purina Farms so she can talk informally with breeders.

Health Testing Offered during PCA Week

Tuesday, April 21: OFA (CERF) Eye Clinic, \$35. 9 a.m. to 4 p.m. in the Service Center (by RV Campsites). Pre-register Monday at the PCA Foundation table. Walk-ins are welcome if clinic slots are still available.

Tuesday, April 21: OFA Heart Certification Clinic (auscultation and echocardiography), \$150, 9 a.m. to 4 p.m. in the Service Center. Pre-register Monday at the PCA Foundation table. Walk-ins are welcome if clinic slots are still available.

Monday, April 20 to Friday, April 24: DNA test kits at National Specialty discounts will be available at the PCA Foundation table for vWD, Neonatal Encephalopathy, Degenerative Myelopathy, Miniature Poodle Dwarfism, prcd-PRA, rcd4-PRA and DB/RD.
