

**The Poodle
Club of America
Foundation, Inc.**

**You are invited to the
ANNUAL PCA FOUNDATION SEMINAR
Tuesday, April 26, 2022
Founder's Room, Purina Farms Event Center
Gray Summit, Missouri**

8:00 a.m. Registration. 8:30-11:30 a.m. **Introduction and Research Updates** followed by our keynote presentation. This year we are very pleased to welcome Dawna Voelkl, DVM, DACT, Associate Teaching Professor of Theriogenology at the University of Missouri College of Veterinary Medicine, speaking on **Canine Herpes Virus Infection: Not Just Fading Puppies; Expanding Your Genetic Options through Advanced Breeding Techniques; and News Flashes: The Latest Updates on Canine Reproduction.** A trifecta of important information for breeders in this rapidly evolving field! We expect lots of audience questions, so in addition to answering as many as time allows at the seminar, Dr. Voelkl will also spend the rest of the day at Purina Farms so she can talk informally with breeders.

Health Testing Offered During PCA Week

Tuesday, April 26: OFA Eye Clinic, \$45. 9 a.m. to 4 p.m. in the Service Center (by RV Campsites). To pre-register, contact Tom Carneal at twcarneal@gmail.com or register Monday at the PCA Foundation table. Walk-ins are welcome if clinic slots are still available.

Tuesday, April 26: OFA Heart Certification Clinic, \$200 for auscultation and echo (advanced heart exam), \$50 for auscultation only (basic heart exam). 9 a.m. to 4 p.m. in the Service Center. To pre-register, contact Tom Carneal at twcarneal@gmail.com or register Monday at the PCA Foundation table. Walk-ins are welcome if clinic slots are still available.

DNA tests at National Specialty discounts will be offered online by several of the major DNA testing companies.
